VIRTUAL REALITY

A NEW ERA OF ESCAPE GAMES

ABOUT US

Virtual reality escape games in the heart of Brussels

We are specialized in the organization of teambuilding activities and events for small and large companies.

Our missions are innovative and represent a clever combination of cinema and escape games. Evolve in a life-size adventure and become the hero of your dreams!

We offer 18 exciting challenges where collaboration and brainstorming are the only one ways to complete your mission.

You will see and hear things when wearing your VR headset while your VR controllers will give you the ability to interact with objects, creatures and your teammates.

WHAT TO EXPECT?

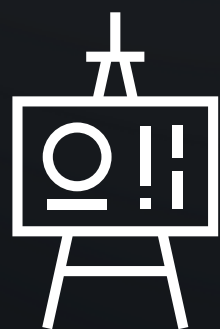

Action

Be the heroes of your own adventure. You will evolve in virtual environments where you can talk, hear and interact with each other. You have 60 minutes to end up with your mission, the time is yours !

Teamwork

Communication is the key to take up your challenge ! Assign responsibilities, share insights, brainstorm with your teammates and have fun all together. Teamwork makes the dream work !

Immersion

Our experiences take place in cinematic / fantastic universes and combine 5K resolution, 3D spatial audio, creative storytelling and an average size of 2.000 square meters. Ready for immersion ?

GOOGLE FEEDBACK

Google Customer Reviews

C'était tout simplement génial ! On a fait la mission Alice au pays des merveilles à 4. Je salue également le chouette accueil !

Belge Une Fois

Expérience au top, nous avons déjà fait plusieurs aventures et nous comptons en refaire, toujours à la pointe de la technologie et à l'écoute de sa clientèle.

Julien S.

Top activité et service impeccable! Nous étions un groupe d'amis de 16 personnes et c'était notre première expérience virtuelle. Benjamin a pris le temps de nous expliquer le déroulement du jeu et était attentif à nous durant toute la session.

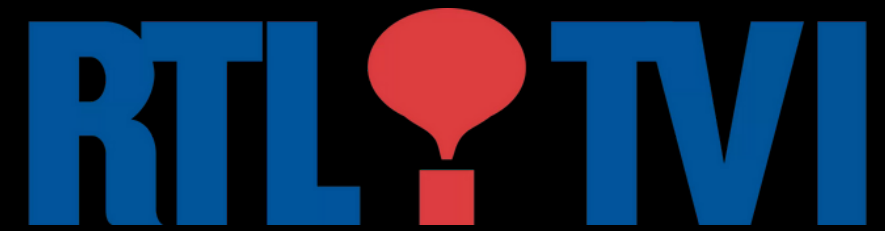

Isabelle P.

Waouh, quelle expérience ! À faire sans hésiter entre amis ou avec des ados, une super activité !

Patricia M.
